

# New Features of Your Parent Portal

To access your Parent Portal, use your current district provided link and your existing location, login and password information.

*The login page has changed in appearance, but **your data and information** has remained the same.*

*\*Chrome is the preferred browser.\**

## The New Parent Portal Home Page

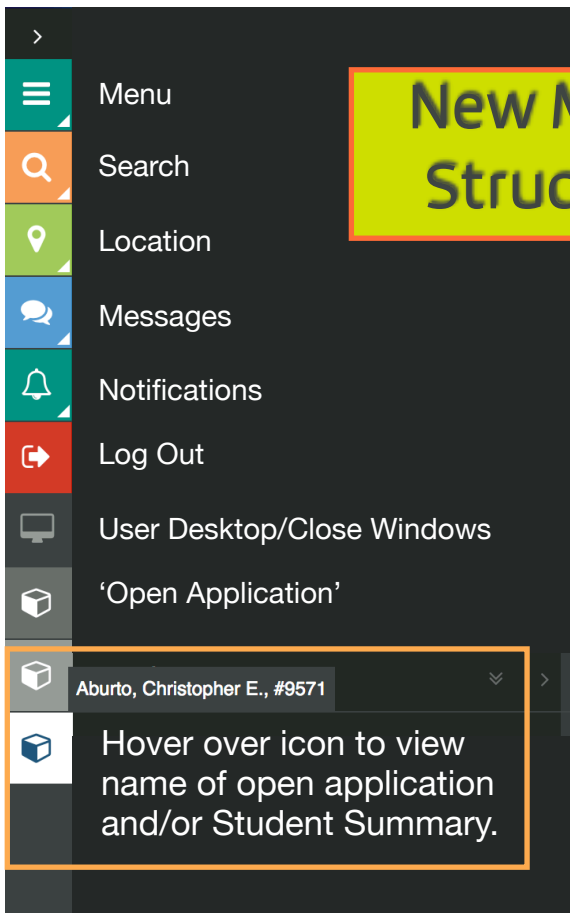

The screenshot shows the Parent Portal Home Page. At the top, there's a header with 'My Students Summary Info' and a 'Quick Start Video' button. Below this, there's a list of students. Each student entry includes a profile picture (or 'no image'), the student's name, their school, and buttons for 'View Student Summary', 'Open Agreement', and 'Agreement accepted!'. A '05' badge is next to the first student, and a '03' badge is next to the second. A '05' badge is also visible in the top right corner. A '03' badge is visible in the bottom right corner. A '05' badge is visible in the bottom right corner.

When logged in, You will see a list of your students with some brief summary information. Select 'View Student Summary View' to access all of your student's information.

Access you User Agreement at any time via the 'Open Agreement' link.

**Questions? Contact Your District or School Lumen Administrator.**

## New Menu Structure

We are excited to bring you an easy to navigate application, which is fully functional on your phone, tablet, and PC.

Our look and feel has been designed to make your experience bright and user-friendly while keeping you connected to your student(s).
